

Library science talks

22nd season 2016

The Zentralbibliothek Zürich (ZB), the Association of International Librarians and Information Specialists (AILIS) and the CERN Scientific Information Service are pleased to announce their 2016 series of Library Science Talks. The series offers library and archive staff the possibility of learning from and communicating with personalities in libraries, archives and information services. The talks cover important and topical issues for information specialists.

New perspectives in scientific publishing

Alexander Grossmann (Hochschule für Technik, Wirtschaft und Kultur Leipzig, DE)
20 June in Geneva (World Trade Organization), 21 June in Zürich at ZB

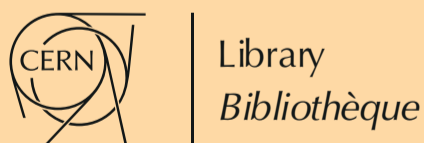

Cooperative Collection Building at the Internet Archive

Courtney Mumma (Internet Archive, San Francisco, US)
12 September in Geneva (International Telecommunication Union), 13 September in Zürich at ZB

Linked Data and sustainable publication

Ruben Verborgh (Ghent University, BE)
5 December in Geneva (at CERN), 6 December in Zürich at ZB

//ailis

For Geneva please register at:
<https://sites.google.com/site/ailisgeneva/2016-programme>

For Zürich please register at:
<https://goo.gl/forms/sy64LAUtyj>

Presentations will be given twice: in Geneva at WTO, ITU and CERN, and in Zürich at the Zentralbibliothek, always at 15:30.

All presentations will be in English, except the one given by Alexander Grossmann in Zürich, which will be in German.

The talks are open to all who are interested.

For the talk in Geneva at the World Trade Organization (WTO)

Guests should come to WTO with a valid photo ID. You are kindly requested to register in advance (deadline: 15 June 2016) via the form for Geneva events. Further information and directions to the conference room will be provided upon registration. For more information, email web.librarian@wto.org or call 022.739.51.24.

For the talk in Geneva at the International Telecommunication Union (ITU)

Guests should come to ITU with a valid photo ID. Further information and directions to the conference room will be provided on the registration form or by email at library@itu.int or by phone at 022-730.69.00.

For the talk in Geneva at CERN

External guests should be at the CERN reception, Building 33, at 15:15 to be guided to the conference room. For more information please contact tullio.basaglia@cern.ch or phone 022-767.79.11.

For the talks in Zürich at ZB

Talks start at 15:30. For organisational reasons, guests are kindly requested to register in advance (deadline: previous day) via link mentioned above for Zürich. For any questions please contact the ZB (email andrea.malits@zb.uzh.ch or phone 044 268 31 30).
